- America's second oldest theater devoted to gender equality.
- Celebrating 30 years of vibrant, visceral storytelling and debt-free operations.
- Increased capacity and improved accessibility at our new artistic home: 255 S. Water St.
- A season of three bold shows inspiring reflection and new insights of the issues of our day.

EVENT HIGHLIGHTS

- Raise A Glass brings together a group of 150 arts supporters, local business leaders, and community connectors to celebrate our progress toward gender balance, and to raise the critical funds that keep our mission going strong.
- The extended reach of sponsorship includes emails reaching 8,000+, and a social media audience of 6,000+.
- The event will feature delicious drinks and small plates, entertainment, a live auction including unique experiences and items, and, most importantly, an opportunity to foster connections among new and loyal friends.

WHY NOW?

- The 2022-23 season marks both our 30th Anniversary, as well as our fourth season impacted by COVID.
- We've weathered challenges and remained resilient, but we need the support of our full community behind us as we move forward.
- We are committed to maintaining a strong, stable foundation as we continue our work for decades to come.

WHAT YOUR INVESTMENT SUPPORTS

- Secures the next 30 years of outstanding theater with a focus on gender parity and a commitment to equity, diversity, and inclusion at the heart of our work.
- Makes a tangible difference in moving the needle on gender balance by building the pipeline of new plays by women, and furthering the careers of female artists and nonprofit leaders.
- Engages the greater Milwaukee community in our work through partnerships, education, and outreach opportunities.
